

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

June 13, 2008

Permit Number: OCRM-08-141-D
Permit ID: 63589

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: C.J. and Mary R. Shahid
C/O McNair Law Firm
100 Calhoun Street, Suite 400
Charleston, SC 29401-3510

LOCATION: On and adjacent to Church Creek at 2590 Marsh Creek Drive, Charleston, Charleston County, South Carolina. TMS#: 356-01-00-024.

WORK: The work as proposed and shown on the attached plans consists of making changes and additions to an existing dock. Specifically, the applicant seeks to replace the four supporting piles for the existing fixed pierhead and add a 12.5' X 12.5' four-pile boatlift, a 4' X 6' walkway extension, a 3' x 15' gangway, and a 4' X 6' floating dock. The proposed 12.5' x 12.5' four-pile boatlift would be channelward of the existing pierhead. The 4' X 6' walkway extension is proposed ebb side of the pierhead with the 3' X 15' gangway leading channelward to the 4' X 6' floating dock. The work as described is for the applicant's private, recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

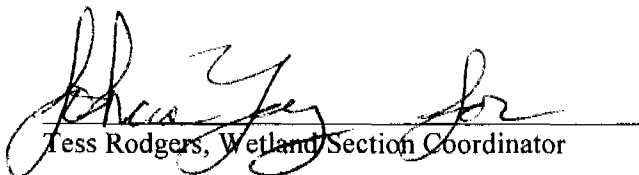

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before June 28, 2008. For further information please contact the project manager for this activity, Jeff Thompson at 843-953-0219.
